To Whom It May Concern;

This letter is to provide a credible reference for LaDon Findley. He has been a successful AV Integrator for the last 24 years and worked on many projects with our company such as the projects noted below. We would certainly recommend and utilize his new firm in performing our work.

Project #1 Wisconsin State Capitol – East Wing Renovation
For Whom Work Performed JP Cullen (general contractor)
Location Wisconsin State Capitol Complex, Madison, WI
Description of Work AV integration services for state capitol building including Supreme Court Chambers, House meeting rooms, visitors center, and additions to AV master control.
Contract Amount \$1,295,000.00

Project #2 MIT–SMA Distance Learning Classrooms
For Whom Work Performed Massachusetts Institute of Technology
Location Various buildings on MIT's campus, Cambridge, MA
Description of Work AV integration services for world-class distance learning classrooms for the premier technology university in the U.S.
Contract Amount \$1,200,000.00

Project #3 Crawford Long Hospital Carlyle Frasier Heart Center and Medical Education Center
For Whom Work Performed Crawford Long Hospital
Location Various buildings on Crawford Long Hospital's campus, Atlanta, GA
Description of Work AV integration services for high-definition operating rooms, auditorium, divisible meeting rooms, and conference rooms associated with world-renowned cardiology program.
Contract Amount \$2,300,000.00

Sincerely,

Scott A. Walker – President, CEO
