To Whom It May Concern:

I would like to recommend Performa Technologies, Inc. as a stellar Audio Visual Installation Company. They have exhibited professionalism and thorough knowledge of their craft. They performed the following work for us in a professional manner.

Project: Butler County Magnet School, Georgiana Alabama

Type of Work: Audio Visual

Project Value: \$426,488.09

(Performa Technologies Inc. was a subcontractor to Crosby Electric Company, Montgomery Alabama)

Sincerely,

A handwritten signature in black ink, appearing to read 'Harvey Crosby', written in a cursive style.

Harvey Crosby  
Vice President
